

## Business Seminar and Workshop Series:

### *Find, Hire, and Train Top Employees For Success*

#### Read More Below!

This seminar will help you improve your people management skills so you can get the most out of your valuable human resources – and increase your profits!

- Are you struggling to get the right people despite the current job market?
- Do you want to have a more effective hiring process?
- Do new employees quickly attain high levels of productivity?
- Do you ever wonder why some companies seem to attract the best talent?

*"Bernie is an outstanding speaker/presenter. He is credible and an expert in strategic management practices"* **Laurel K.**

*"I learned a lot about organizing myself and my staffing needs in order to screen and then choose better candidates to hire"*

**This event can be tailored to fit your requirements. As an example it can be a twenty-minute presentation used to stimulate thoughts in your organization or up to a half-day workshop.**

***CALL now to book Bernhard for your next meeting!***
