

Business Seminar and Workshop Series:

The Bottom Line: Seven Strategies That Work Together to Double Your Business Profits

Read More Below!

Do you know there are seven 7 essential building blocks for every business that work together to help control the results of the business?

- Do you know by making modest improvements across critical areas of your business you can achieve major improvements in your profits?
- Would you like to have a better understanding of marketing and sales fundamentals that will help you with your day-to-day business needs?

In this program, presenter Bernhard Heine will show you how to measure and improve each of the 7 areas in your business and how by making small incremental improvements in your business, you will see an increase in profits.

"I learned many different ideas to utilize in my business as well as to provide to my clients" Jill Y.

"Just what I needed to take action on both what I thought I needed to do and new ideas as well" Laurie H.

This event can be tailored to fit your requirements. As an example it can be a twenty-minute presentation used to stimulate thoughts in your organization or up to a half-day workshop.
